

Czech hops at the trade fair FOODEX in Japan

Hop Growers Union of the Czech Republic presented Czech hops at the prestigious food trade fair FOODEX in Japanese capital Tokyo. The trade fair was held at the beginning of March. We accepted an offer of Ministry of Agriculture that established Czech national booth. Czech hops were presented beside products such as Czech beer, wine etc. Ministry delegation visited also research center of Suntory Brewery. The highest share of total Czech hop export has been supplying to Japan for a long time.
